KIDDERMINSTER • BEWDLEY • BRIDGNORTH

Lots to see. Lots to do!

Take advantage of substantial discounts for visits to the Severn Valley Railway when your Scout or Girlguide group book through our Education Team.

One of the country's foremost heritage railways, the Severn Valley Railway meanders alongside the River Severn through sixteen miles of superb Worcestershire and Shropshire countryside with six attractive stations and exciting amenities to enjoy along the way.

The Engine House Visitor Centre at Highley is home to our reserve collection of steam locomotives and exciting displays including King George VI's Royal Saloon and a Royal Mail Travelling Post Office where you can even sort the letters!

Highley is also a convenient place to leave the train for Severn Valley Country Park. Set within 51 hectares of beautiful countryside this Green Flag awarded park is amongst the best in the UK.

The once busy river port of Bridgnorth is the Railway's northern terminus. With its half-timbered town hall and cliff railway – the oldest and steepest in England – this historic town's castle ruins and ancient donkey steps are waiting to be explored.

Get your special discount!

Simply book direct with us and tell us which Scout or Girlguide group you belong to. Please note that you will be required to produce proof that you are part of a Scout or Girlguide group at your departing station booking office. Term and conditions apply.

Special packages and incentives are available for groups

Please contact us for details. Special packages must be arranged in advance.

To arrange your visit call 01746 862387 (Monday - Friday, 0am - 0pm)
or email education@svrlive.com
