jointly present

"Murder by Appointment!"

The society pages of the national press have long been enthralled with the romantic entanglements of the beautiful heiress, The Honorable Miss Angelica Buckhampton-Forbes, the only daughter of Lord & Lady Buckhampton. Thus, when she is recognised boarding the 7.30pm Kidderminster to Bridgnorth express on Saturday 4 November 1935, in the company of a gentleman whose lack of sartorial elegance seems not befitting such a glamorous companion, it is hardly surprising that a few eyebrows are raised. But that in no way can prepare you for the terrible events which are about to unfold! Someone aboard the train has an appointment with murder! But who and why? And who could possibly be the callous killer?

It is fortunate then that a Detective Inspector Alfred Crowther should be boarding the train at Bridgnorth after a long and tedious day at Bridgnorth Police Station, on his way home to Arley. Unfortunately for him is the fact that a policeman is never truly off duty and, confronted with a murder, he has no alternative to taking charge and commencing an investigation. You may rest assured that the Inspector will leave no stone unturned as he questions the suspects which will eventually lead him to the apprehension of the perpetrator of this heinous crime.

So join us and dine in fine style as we travel along the picturesque Severn valley aboard an authentic steam train of the period. Enjoy the camaraderie and banter with your fellow passengers as a foul and brutal murder takes place before your very eyes and you are invited to assist Inspector Crowther bring the guilty to justice. Please feel free to dress in period costume should you wish, to make your personal experience even more authentic. We look forward to welcoming you.
