

On The Buses – Sunday 10th September – Timetable Alterations

On Sunday 10th September, we will be welcoming a number of buses to Bewdley Station. With a number of London-based vehicles on display, the event has a distinct London Transport theme, and is set to star a 1914-built ‘Charabanc’ and a modern ‘Boris Bus’. A revised public timetable, detailed below, will be in operation, including an additional service.

Normal fares apply, Annual Family Pass valid.
