

Classic Vehicle Day

Sunday 30th July 2017

We are delighted you will be joining us for this year's Classic Vehicle Day.

We are showcasing classic and iconic vehicles at Kidderminster, Bewdley, Arley, Highley (both in the yard and outside The Engine House Visitor Centre), Hampton Loade and Bridgnorth.

Timetable C will be in operation with four trains running, each doing two return trips.

Please see below the full list of vehicles scheduled to appear at each station.

We hope you enjoy the event!
