Why not join us?

The scheme to preserve part of the original SVR began in 1965. The line from Bridgnorth to Hampton Loade was reopened in 1970, and extended in stages, reaching Kidderminster in 1984. The SVR is largely volunteer operated – indeed without this help the SVR would not survive. From our membership of around 13,000 several hundred actively help us run the SVR.

Be a volunteer and help us run the SVR!

We are always in need of more assistance on our railway, from operating the service (on-train personnel, station and maintenance staff) through to support activities such as marketing, telephone answering, assisting in shops and gardening.

You must be a member and be prepared to spare us some of your time, whether it be for just a few days each year or on a more regular basis. Full training will be given where required.

Volunteer Liaison Officer Peter Edkins and his deputy Barry Moreton will be happy to hear from you. They can be contacted at Bewdley station on Tuesdays and Thursdays or on 01299 401776 (24 hours answering).
